

ABOUT:

The Journal of Defense Against Terrorism Review is a refereed journal that has been prepared and published by Center of Excellence Defence Against Terrorism since 2008. The Journal is published semiannually

The purpose of the Journal is to contribute to these fields by publishing articles on terrorism and security issues to follow current developments in these fields. It also facilitates interaction between researchers and practitioners in order to achieve progress in the field. The journal publishes refereed articles in English language.

Submissions should be prepared in accordance with the instructions given under the section "Publishing Procedures" on the last page of the journal and website at <https://www.coedat.nato.int/datr/volumes.html>

Manuscripts submitted to the Journal should not have been published or submitted for publication review elsewhere. They could be a research report, a systematic literature review or an original opinion article discussing a new idea or model. The language of the Journal is English. All manuscripts should be prepared in accordance with the specifications of the APA publication manual. Manuscripts submitted to the Journal are reviewed by two anonymous reviewers as well as the editor.
